If as a result of a Change in Applicable Laws occurring at any time after the Signature Date it is or becomes unlawful in any jurisdiction or contrary to any lawful request from or requirement of the SARB or other RSA governmental department or authority, whether or not having the force of law, for the Lender to perform any of its obligations under this Agreement, then the Lender shall promptly after becoming aware of same, notify the Borrower by way of a certificate signed by a director or

24 CESSION AND DELEGATION

25 STIPULATIO ALTERI

26 GOOD FAITH AND CO-OPERATION

26.1 In the implementation of this Agreement, the Parties undertake to observe the utmost good faith and they warrant in their dealings with each other that they shall neither do nor refrain from doing anything which might prejudice the rights, assets or interests of the other of them.

26.2 The Parties undertake to co-operate with each other in all reasonable respects in order to give effect to this Agreement according to its intent and purpose.

27 CONFIDENTIALITY

27.1 "**Confidential Information**" of a Party shall mean any information disclosed by that Party to the Receiving Party (as defined below) prior to the conclusion of this Agreement, in terms of this Agreement or otherwise in connection with this Agreement.

27.2 Notwithstanding the cancellation or termination of this Agreement, no Party ("**Receiving Party**") shall, at any time after the conclusion of this Agreement, disclose to any person or use in any manner whatsoever the other Party(ies) Confidential Information or the existence and contents of this Agreement; provided that -

27.2.1 the Receiving Party may disclose the existence and contents of this Agreement to the extent required by any rules of any stock exchange by which the Receiving Party is bound; provided that no such disclosure shall be made unless the other Party(ies) ("**Disclosing Party**") has/have first approved the form thereof in writing, which approval shall not be withheld or delayed unreasonably;

27.2.2.2 to, and permit the use thereof by, its directors, employees, representatives, agents and professional advisers to the extent strictly necessary for the purpose of implementing or enforcing this Agreement or obtaining professional advice or conducting its business, it being specifically agreed that any disclosure or use by any such employee, representative or adviser of such confidential or other information for any other purpose shall constitute a breach of this **clause 27** by the Receiving Party;

27.2.3 the provisions of this **clause 27** shall cease to apply to any Confidential Information of a Party which -

S S

27.2.3.1 is or becomes generally available to the public other than as a result of a breach by the Receiving Party of its obligations in terms of this **clause 27**;

27.2.3.2 is received by the Receiving Party from a third party who did not acquire such Confidential Information subject to any duty of confidentiality in favour of the Disclosing Party; or

27.2.3.3 was known to the Receiving Party prior to receiving it from the Disclosing Party.

27.3 Each party acknowledges that the restrictions in terms of the protection of Confidential Information are reasonable and necessary to protect the other Party's legitimate business interests. Each Party acknowledges that any breach of any of the provisions of this **clause 27**, shall result in irreparable injury for which money damages could not adequately compensate. If there is a breach, then the injured Party shall be entitled, in addition to all other rights and remedies which it may have at law, to have a degree of specific performance or an injunction issued by any competent court requiring the breach to be cured or joining all persons involved from continuing the breach.

28 SUSPENSION OF LENDER'S OBLIGATIONS

29 APPLICABLE LAW AND JURISDICTION

29.1 This Agreement will in all respects be governed by and construed in accordance with the laws of RSA.

29.2 The Lender may commence legal action or proceedings arising out of or in connection with this Agreement in the High Court indicated in **Schedule 1** (*Specific Terms*) and the Borrower irrevocably submits to the non-exclusive jurisdiction of such court and agrees that any costs awarded against it be

awarded or paid in accordance with the *de facto* scale as between attorney and own client.

29.3 The Borrower appoints any person (at the address chosen as its *domicilium citandi et executandi*) to receive for and on its behalf service of process in such jurisdiction in any legal action or proceedings with respect to this Agreement. The Borrower irrevocably waives any objection it may now or hereafter have that such action or proceeding has been brought in an inconvenient forum. The Borrower further irrevocably consents to the service of process in any such action or proceeding as contemplated in **clause 22** (*Additional Expenses*). Nothing herein shall affect the right to serve process in any other manner permitted by law. The Borrower irrevocably agrees not to claim for itself or its assets immunity from suit, execution, attachment or otherwise, to the full extent permitted by Applicable Laws.

29.4 The submission to jurisdiction in **clause 29.2** shall not (and shall not be construed so as to) limit the right of the Lender to take proceedings against the Borrower in whatever other jurisdiction the Lender considers appropriate nor shall the taking of proceedings in any one or more jurisdictions preclude the taking of proceedings in any other jurisdiction whether concurrently or not.
